

PURDUE OMEGA CHI EPSILON

CHEM E KIDS DAY

3RD TO 5TH GRADERS

now open for
registration

MARCH 30, 2019 12-4PM

CHEMICAL ENGINEERING DEMONSTRATIONS & EXPERIMENTS

**6 HANDS-ON EXPERIMENTS
SPEECH FROM CHEM E PROFESSOR
INSIGHT TO ENGINEERING CONCEPTS
LUNCH PROVIDED
100% FREE!!**

REGISTER AT

Chem E Kids Day

March 30th, 2019

Located in Forney Hall of Chemical Engineering Purdue
University

Check-in from 11:30 am to 12:00 pm

Keynote speech from a distinguished Chemical Engineering
Professor

Then 6 interactive experiments demonstrating key principles
that Chemical Engineers use everyday

Event ends at 4 pm

Parents will be requested to confirm contact information during registration. For those dropping children off, please tell us at registration if a different person will be picking the child up from the event. Registration is available here online (<https://tinyurl.com/ChemEKids2019>) or by filling out the application form and emailing it to purdueoxe@gmail.com

Event sponsored by Omega Chi Epsilon

Chem E Kids Day will be held in
Forney Hall of Chemical Engineering
boxed in **RED**

Parking is available in the
NorthWestern Parking Garage
boxed in **BLUE**

Please enter Forney Hall at the North East entrance, between
Forney and Physics Buildings
YELLOW star

Forney Hall Address

480 Stadium Mall Drive ~ West Lafayette, IN 47907

Chemical Engineering Kids Day is designed to provide students in grades 3 - 5 the opportunity to learn about chemical engineering and science by participating in age-appropriate activity sessions throughout the day. This event is hosted by Omega Chi Epsilon, the national chemical engineering honor society.

A chemical engineering professor will be our guest speaker. He will share his experiences and demonstrate to the children what chemical engineers do. **In addition, students will also get to participate in exciting engineering experiments!**

Space is limited so apply early – Please have the registration scanned and emailed or apply online by March 15th, 2019.

When: Saturday, March 30th, 2019 from 12:00PM – 4:00PM

Who: Students in grades 3 – 5.

Where: Purdue University, West Lafayette, IN. Check-in is in Forney Hall of Chemical Engineering from **11:30AM – 12:00PM**

Why: Chemical Engineering Kids Day includes hands-on activities relating to the science and technology of chemical engineering

How to apply: **Apply now** - Complete application details below and scan and email in as soon as possible **or apply online.**
You may also apply online at <https://tinyurl.com/ChemEKids2019>

Confirmation: Important -A confirmation packet with detailed information about the day including a schedule, activity information, maps, and parking information will be sent to you after the application is received. Upon arrival, a release form and photography waive must be signed before participation is allowed.

Cost: Free – Please make your own travel arrangements to and from campus. A gift and snack will be provided.

Contact: If further questions arise please contact Aaron Korff or Elizabeth Krenek at **(812) 622-0100**
(email purdueoxe@gmail.com)

Please keep this portion of the letter as a reminder
