

Summer Undergraduate Student Job Opportunity

Assistant to EEE Lab Manager

Contact Dr. Nadya Zyaykina at nzyaykin@purdue.edu with your motivation letter

Tasks:

- ✓ Inventory of chemicals and equipment
- ✓ Involvement in preparation of safety documentation and in-labs safety operations
- ✓ Sorting, cleaning and placement of lab materials and supplies
- ✓ Maintenance of refrigerators and freezers

Time Frame:

- ✓ May - August 2025, starting ASAP
- ✓ possibility of extension into Fall 2025
- ✓ 8-10 hours per week
- ✓ flexible schedule, Monday - Friday

Minimum Requirements:

- ✓ disposition to work with and around Hazardous Chemicals
- ✓ ability to focus and great attention to minor details
- ✓ ability to handle with care fragile items
- ✓ ability to occasionally move heavy items (10-20 kg) is a bonus, but not required

Compensation / benefits

- ✓ \$15 USD/hour
- ✓ Chemical lab safety certification
- ✓ Familiarization with infrastructure of EnvE Research Labs

Preference will be given to a candidate, who plans to get involved in a research project (research credit work EEE498, thesis work, etc) within Environmental Engineering labs at some point of his/her future studies.
