CAMPUS ARRIVAL:

If you are arriving to campus via the airport shuttle please use the Purdue Memorial Union drop off location. We will have STEP shuttles running from the Purdue Memorial Union to the residence hall. The first shuttle pick up will start between 1:30 pm and 1:45 pm. If you are arriving in another fashion, please go directly to the residence hall.

REGISTRATION:

Registration is scheduled from 2:00 p.m. to 4:00 p.m. (EST). Be sure to check your time zone carefully. Upon arrival at the residence hall please proceed to the STEP registration table where you will register for the program and receive a variety of program materials. If you arrive after 4:15 p.m., please call Melissa Hale, 765-494-3976.

WHAT TO WEAR:

When packing for the seminar, please take local weather into account. July is the warmest month of the year in Indiana, with the average temperatures ranging from low 80's to high 90's, and 60-80% humidity. Casual clothing will be acceptable for the classroom setting, however, students will be offsite for some activities (industry and departmental tours). For offsite activities, long pants, closed toed/heel shoes and socks are required. You will also need a comfortable pair of walking shoes. Please use the packing recommendations included in the information packet, and if you have questions, feel free to reach out to Melissa Hale at step@purdue.edu.

ACCOMMODATIONS:

All participants will be housed in university residences. Females and males will be housed on separate floors of the residence hall. Male campers are prohibited from entering female floors, and female campers are prohibited from entering male floors. Students will be under the supervision of resident counselors throughout their stay, and will be required to adhere to a fixed schedule of classroom and program activities. Violation of these rules will result in immediate suspension from the program, and parents will be asked to make prompt arrangements for their child to leave campus.

Unless they are participating in a supervised activity, all youth program participants must be in their assigned university residence no later than 11:00 p.m. and in their assigned room no later than 12:00 midnight. STEP Residential Staff members will perform nightly security rounds on all floors at 12:00 pm, 12:30 am, 1:00 am, 2:00 am, and 2:30 am, and Residential Staff will be accessible at any time there is a youth participant in the university residence. Rooms in the university residences where STEP participants are housed ARE air conditioned. All bed linens, towels and washcloths are provided. Towels and washcloths can be exchanged daily. Prompt attendance at all sessions during the STEP program is mandatory; it is advisable to pack an alarm clock (or phone alarm).

CHECKOUT:

STEP Participants will be expected to check out of university residences between 2:00 p.m. and 3:00 p.m. (EST) Saturday. Please pay close attention to departure times. Students may prepare for checkout in the morning, prior to the final project demonstration, or directly after lunch. The STEP program will offer campus shuttles from the residence hall to the Purdue Memorial Union so that students can meet their airport shuttle on the day of departure. Participants must notify STEP staff if it is not possible to check out by the designated time. SEMINAR FOR TOP ENGINEERING PROSPECTS

STEP

CODE OF CONDUCT PLEASE KEEP FOR YOUR RECORDS

Students have been chosen to attend the Seminar for Top Engineering Prospects (STEP) based on academic achievement and potential. It is assumed that students attending the seminar are interested in maximizing the benefit to be received from all of the scheduled activities. In order to achieve this goal, the following behavioral guidelines have been established. In addition, participants must comply with all applicable federal, state and local laws and all university statutes and regulations while on campus. Further information is available online at www.housing.purdue.edu.

1. Smoking/Gambling/Alcohol/Drugs/Firearms/Weapons/Sex: All are prohibited on University premises and are met with a zero tolerance policy.
2. Curfews: Students must check in with their counselors by 11p.m. each night and remain in the residence hall. Students are to be in their rooms by midnight.
3. Room Restrictions: Under no circumstances are young women allowed on the men's floors of the residence hall or young men on the women's floors. (Family members are allowed during check-in and check-out.)
4. Students should always be appropriately dressed. No spaghetti strap tank tops or muscle shirts unless covered by an over shirt. No holes in clothes. Shorts should be at least fingertip length.
5. Automobiles: Students may drive to campus for the program, but may not, under any circumstance, use their cars until the seminar is over. Keys must be given to the STEP staff upon check-in. Keys will be returned at check-out.
6. Respect and follow the direction of counselors, professors, and residence hall personnel. Respect all peers and adults with whom you come in contact.
7. Avoid using profane language and other lewd, indecent, and unruly behavior. Threats to harm yourself or others will not be tolerated.
8. Travel in pairs or a larger group.
9. Sign out with your counselor if going anywhere other than class or a scheduled seminar event. Include the expected time of return to the residence hall.
10. Use caution when walking to and from classes or when riding bicycles.
11. If you feel ill or are injured in any way, contact your counselor immediately.
12. Report ALL injuries (no matter how minor) to a staff member immediately.
