

INTERNS FOR INDIANA

# MOONSHINE LEATHER

## Hybrid Internship in Nashville, Indiana

Moonshine Leather Company is a family owned leather goods business with 15 employees and family members in the tourist town of Nashville, IN. Our mission is to make high quality leather goods with as many USA made materials as possible. We are working to improve the methods and machinery needed to improve our efficiency.

Two full-time interns are needed to research and implement manufacturing methods, machinery, and processes for increased production efficiency in leather-working. The interns will also be working on improving our digital presence. Successful completion of this project will enable Moonshine Leather to compete in a global market while still staying true to our mission of producing a Made in USA product line.
