VizyPay Of **Indiana**

VizyPay is a financial company, a merchant services provider specializing in payment processing solutions for small to medium sized business. We offer a host of services for small to medium sized business including free equipment, industry leading payment terminals, local support and access to working capital. We started a campaign called "Look Local First," because we believe that small businesses need an advocate - somebody who is actively spreading the message to really make shopping local a lifestyle, directly impacting and conserving more resources in our communities.

Upon completion of the internship project, students will receive a \$6,000 scholarship.
