UPCOMING EVENTS

GEARE Resource Fair & Networking Night

Monday, September 8 | 2:00 PM - 9:00 PM
Purdue Memorial Union

The GEARE Resource Fair and Networking Night brings together Purdue faculty/staff, industry partners, and globally-minded students. Students can explore international opportunities and connect with employers seeking talent for internships and co-ops, making this a dynamic platform for career development and global engagement.

Purdue Life Sciences & Pharma Career Fair

Monday, September 15 | 2:00 PM - 6:00 PM
Purdue Memorial Union

The Purdue Life Sciences & Pharma Career Fair brings together talent from a range of disciplines, including Engineering, Pharmacy, Science, and Health and Human Sciences, for meaningful connections with employers in the life sciences and pharmaceutical industries. Students can explore internships, co-ops, and full-time roles.

Purdue Semiconductor Career Fair

Monday, September 15 | 1:00 PM - 6:00 PM
Purdue Memorial Union

The inaugural Semiconductor Career Fair will connect industry leaders with top Purdue talent, including students in Purdue's Semiconductor Degree Program, providing a unique platform for networking, showcasing new technologies, and exploring collaborative opportunities that will shape tomorrow's workforce in the semiconductor industry.

FYE Industry Exploration Night

Wednesday, October 15 | 6:00 PM - 9:00 PM
France A. Córdova Recreational Sports Center

FYE Industry Exploration Night is an annual networking event that connects first-year engineering students with a wide range of industry professionals, alumni, and experienced peers. Designed to spark early career exploration, the event offers students valuable insights into diverse engineering fields and professional pathways.
