

Purdue Semiconductors Info Session

Come learn about what Purdue has to offer in semiconductor degrees and courses. Hear from industry leaders about careers and other opportunities in semiconductors. This event is open to engineering and non-engineering students.

Student Registration Link: <https://bit.ly/SEMIOVERVIEW>

When	Tuesday, September 13 6pm-8pm
Where	Wilmeth Active Learning Center 1055 (WALC)
Topics	6:00 PM Purdue Semiconductor Degree and Course Overview Industry Overview and SkyWater Plans Semiconductor Companies Profile 7:00 PM Industry and Student Networking
Speakers	Purdue College of Engineering Interim Dean, Dr. Mark Lundstrom SkyWater President & CEO, Tom Sonderman

Companies Represented

Air Liquide America
Amazon
AMD
Applied Materials
ASM America
ASML
Cisco
Crane Aerospace & Electronics
GlobalFoundries
Hemlock Semiconductor
Infineon Technologies
Intel

Lam Research
Marvell
Micron Technology
NSWC - Crane Division
Reliable MicroSystems
Samsung Austin Semiconductor
Sandia National Labs
SkyWater Technology
Synopsys
TEL - Tokyo Electron
Texas Instruments
TSMC
